

Foodify Help & Support

We are here to assist you with any questions, concerns, or issues you may have regarding the Foodify application ("the App"). Please refer to the following resources for help and support:

FAQs and Knowledge Base

Our Frequently Asked Questions (FAQs) and Knowledge Base provide answers to common queries and offer helpful information about using the App. You can find these resources on our website or within the App's Help section.

Contacting Support

If you require further assistance, our support team is ready to help. You can reach us through the following channels:

- **Email:** Send an email to our support team at borabalos9@gmail.com. We strive to respond to your inquiries as soon as possible during our business hours.
- **In-App Support:** Use the support feature within the App to submit a support ticket or contact our support team directly. We aim to address your concerns promptly.
- **Community Forum:** Join our Community Forum, where you can interact with other users, share experiences, and seek guidance. Our support team also actively participates in the forum to provide assistance.

User Guides and Tutorials

We provide user guides and tutorials to help you navigate and utilize the App's features effectively. These resources can be found on our website or within the App's Help section.

Reporting Issues and Feedback

If you encounter any technical issues, bugs, or vulnerabilities while using the App, please report them to our support team immediately. Your feedback helps us improve the App and deliver a better user experience.

Stay Updated
